ENHANCE YOUR HOME WITH A PERFECT FIT[®] BLIND

Roller and Pleated blinds for double glazed windows, doors and conservatories

These blinds are the most attractive and innovative window blinds available on the market today. The system is unique because the window blind fits neatly into a stylish frame, which moves together with the windows and doors when they are opened and closed giving you the perfect combination of shade and ventilation.

PERFECTLY MATCHED WITH YOUR INTERIOR, TRANSFORMING YOUR LIVING SPACE

Perfect Fit® is a revolutionary system that enables window blinds to be fitted perfectly onto most double-glazed windows and doors, with no holes drilled into your upvc frame. The unique Perfect Fit® blind fits neatly onto the window and enhances your privacy because there are no gaps down the side of the blind. Whether you select a contemporary design for the living room, a blackout fabric for the bedroom or a moisture resistant print for the bathroom, our blind collection in combination with the Perfect Fit® system is the ultimate in style.
